**Scam pharmacy**

« **on:** March 02, 2016, 07:40:20 PM »

I placed an order for pain meds after I moved from where I was taken care of by a pain management doctor for 13 years. I didnt have time to find another doctor and started withdrawals and was in incredible pain. This pharmacy took 200 from my 800 a month **disability income** for suboxone that I ordered to help me get through the withdrawals, and then called the next day pretending to be a DEA agent telling me I had to pay 400 for a doctors **prescription** to NOT be arrested for buying the medication. This Indian guy called me from a number from Destin, FL at 850 502 8371. This was the exact same number they use as a contact number on the name of the website. When I told him I was reporting him he called me a stupid bitch and hung up on me. Of course the suboxone never came.
